

Parent guide to approving your child's option choices

- 1) Go to www.sims-options.co.uk
- 2) Login using your sims parent app details (contact us if you do not have this admin@stopsleyhighschool.co.uk)

3) Your child's options will appear on your screen. Your son/daughter must complete choices and then you must tick to approve. You could add a comment if you feel it is needed.

4) There is no save button, your tick and comment will be saved automatically.

The screenshot displays the SIMS Options interface, divided into several sections:

- First choice:** Shows a grid of course options. Selected courses include French, Geography, and History. A message indicates that French, Geography, and History are also available in Free Choice.
- Free Choice:** Shows a grid of course options. Selected courses include Art, Drama, Ethics & Philosophy, Geography, Health & Social Care, Music, and Sociology. A message indicates that Geography is also available in First choice.
- My Choices in Order of Preference:** Lists the selected courses in order: 1. French (GCSE Full Course First choice), 2. History (GCSE Full Course Free Choice), 3. Computing Science (GCSE Full Course Free Choice).
- My Reserves in Order of Preference:** Lists the reserved courses in order: 1. Health & Fitness (NQF Level 2 Free Choice), 2. Geography (GCSE Full Course First choice).
- Parent/Carer Approval:** A section at the bottom with a checkbox for 'Parent/Carer Approval' (checked) and a text input field for 'Add any comments here'.
