Headteacher's Letter

Dear parents & carers

It was a pleasure to meet parents at parent voice on Thursday evening this week. We were able to share so much information and consult on a number of issues. They felt that communication has improved and made some further suggestions around accessing our calendar and links to letters home. We would love to see this grow and have more parents attend if possible. The next meeting is 7th December, please save the date.

Our Year 11 careers fair was a huge success and I would urge students to ensure that they have the open evenings for colleges in their calendars. We are working hard to raise aspirations and our Careers Officer, Mrs Huggins, has been leading on events and opportunities for our students. The Year 9 girls who visited the Houses of Parliament and Facebook HQ had a great opportunity to see women working in a global political forum.

As half term approaches I know our Year 11 students are preparing for their mock exams after half term. The timetable can be found on our [website](#). They have had revision training in school so should be feeling confident in their revision. Please see the area on revision on the [website](#).

Have a good weekend.

Careers Fair at Ashcroft

A variety of stalls were available for students, from information about apprenticeships to further education institutions. Students were encouraged to ask as many question as possible, so they left the event well informed about their options for the future.

Half Term Dates

Great Ormond Street Hospital

On Wednesday 10th October 2018, a group of 7 students from Stopsley High went to Great Ormond Street Hospital to hand over a cheque to the charity. The funds had been raised through our production of Peter Pan last year. We travelled by train, in uniform, then squished into a small space where they got changed into their costumes. It wasn't plain sailing however, as on the way to hand over the giant cheque for £500, the group was captured by a bunch of marauding Siths. Luckily they were rescued, the donation made and we went on our way.
