

Headteacher's Letter

Dear parents & carers,

Mock exams for Year 11 are completed and our departments are working to ensure that students are clear on the areas that they need to study over the coming months in order for them to improve their grades. Please can I ask you to check that students are clear on how to access revision using their passwords and guides. They can access My Maths, Sam Learning and GCSE pod from home so they should never be without something to study.

During the next few weeks we will be preparing for concerts, carol singing sessions and raising money for charity. Our non-uniform day is on the 18th December the same day as our Christmas dinner.

On the 19th December our Year 10 students will be attending the University of Bedfordshire for the launch of the 16x16 programme, an employability skills programme that will support our students on entry to the world of work. Please look out for letters coming home shortly.

Have a good weekend.

Karen Johns

Skills Show

The Careers team took 20 Year 9 students to the annual World Skills Show at the NEC in Birmingham. There were over one hundred service providers there including universities, colleges, the Army, Fire Service and representatives from a variety of careers sectors including:

- Construction
- Engineering
- Forensic Science
- Digital technologies
- Aerospace
- Hair & Beauty
- Catering.....and much more

Students had the opportunity to participate in some very interactive experiences, such as the roller coaster simulator and theatrical make-up! It was a great day and the students who attended were fantastic! We are definitely looking forward to next year!

Week 11 23/11/18

7 Key Features of a Stopsley Student

1. Punctual

School Opens: Tuesday 8th January 2019

House Points Board

	Delphi	32128
	Olympia	29012
	Hellenic	32062
	Corinth	28196

Music Winter Concert Auditions

The music department would like to thank students who auditioned for the fast approaching winter concert on 10th December. The standard was high and participants should be very proud of themselves. For students who missed this weeks audition, we are holding another audition on Monday 26th November at break time in Room B129 music block. Names of selected performers will be displayed on the music room door by the end of the school day on Monday.

Geography Field Trip to Leicester

On Wednesday the GCSE geography took their second fieldwork trip in as many weeks. We travelled to Leicester to investigate urban development. Students enjoyed wandering through a museum and learning about Leicester's history as a factory town. They investigated different areas in the town and interviewed residence about life in Leicester. Finally we all spent some time analysing the distribution of commercial and industrial venues in and around the shopping centre without missing the opportunity to do a little bit of shopping ourselves. The students have gained valuable knowledge by seeing first-hand what the differences are between inner city and suburban neighbourhoods.

Weekly House Attendance Position

	Hellenic	1 st
	Delphi	2 nd
	Olympia	3 rd
	Corinth	4 th
