## Welcome

A big welcome from the student voice team at Stopsley High School. We as student voice, want to make the school a more enjoyable learning environment. The purpose of this newsletter is to inform students and parents about what's happening in school, from a student's perspective. All the articles are written by students, and we have a wealth of enthusiastic contributors.

## Winter Concert

The Winter Concert is a wonderful event to participate in and watch, due to the fact that it is a harmonious environment where students and parents have the opportunity to see some of the Stoplsey students perform individually and in groups.

This is a great experience to get involved in because it gets musical students ready for the world of performing after their school life.

"Last year's Winter Concert was amazing because we had a vastly diverse community performing and everyone was so kind and supportive to each other"

# Hadestown

On the 26th of November, the Writers' Guild of Stopsley High School took a trip to the National Theatre. We saw the production of Hadestown which is about a summertime songwriter named Orpheus and a lost girl called Eurydice who fall in love. Soon winter sets in and the lovers can't survive on songs alone. Tempted by the promise of belonging, Eurydice is lured into the depths of Hadestown. Their love is put to the test. On behalf of the Writers' Guild, we would like to thank Mr Bacci and Ms Brodie for organising this trip for us and expanding our imaginations.

# Carol Singing

A group of students went caroling at London Luton Airport on Monday and Wednesday. They were accompanied by Miss Selmi and were at the airport for two hours on both days. Some of the songs they sang included 'All I Want for Christmas is You' and 'Jingle Bell Rock.' They were singing to raise money for Macmillan cancer support, but the final amount they raised is yet to be confirmed. We have another appearance on the 20th December to complete festivities.
