

26<sup>th</sup> June 2020

Dear Year 11,

### Updates

As it is the time of the year when you officially leave school I thought it would be appropriate to write and update you on various things. Firstly please let me say if we can help support you with anything at all, contact us. However little or big we will always try to help you, so do not hesitate to drop us a line.

### Emptying Lockers and Returning Materials

A number of you have emailed and asked about donating revision guides and uniform / PE kit back to school so that we can recycle them. We would be inordinately grateful for any donations and promise you that they will go to good use. I said in my last letter that I would get details to you so here they are.

In the week beginning 6th July there will be allocated slots of time for you to come to school and empty lockers and for us to return deposits to you. We will also put boxes in reception for anything you want to donate. I am afraid we have to do it in these strict slots and as individuals to ensure things are in line with safety guidance.

### Results Day

We are currently working on what this will look like and planning on how we do results day in a sensible and cautious way. Once plans are provisionally in place we will of course let you know.

### Awards Evening

We always run an evening in November where we present certificates and have farewell speeches from teachers and ex-students. Provisionally this date is set for 12th November so you may wish to keep this date free in the evening provided the government guidelines allow us to host it.

### Careers

For those of you who still need careers advice or support with applying to college or for an apprenticeship, please remember we are still here to help. Ms Lynch is happy to help and may be available to meet with you, when you come to empty your lockers. Alternatively, you can email her on [llynch@stopsleyhighschool.co.uk](mailto:llynch@stopsleyhighschool.co.uk).

Miss Lynch will continue to email you directly as a year group with any notifications/virtual open events she receives from the Sixth Forms and Colleges so please ensure you are keeping an eye on your school emails.

Best wishes,

Mr Williets  
Deputy Headteacher
