

17th July 2020

Dear Parents / Carers,

Annual Reports

Due to the current circumstances, it has not been possible to issue your child's Annual Report in paper form. Therefore, we have issued the report via the Parent App for you to view.

The report consists of information that had been gathered up to and including 20th March. Students have continued to be awarded achievement points during lockdown and these are reflected in the report.

Form Tutors and House Leaders have included their comments to help guide students for the coming year. On our return staff and students will work together to ensure that all students are able to continue making progress despite the current period of lockdown that we have unfortunately had to endure.

Have a restful summer break and we look forward to seeing all students back in school in September.

Kind regards,

K Johns
Headteacher
