Dear Parent/Carer

An exciting opportunity for your children this summer

Luton Council has joined forces with Active Luton and community organisations across the town to offer a fantastic programme of activities during the Summer holidays – and your child/children are eligible for FREE places. It's all thanks to the Department for Education and its Holiday Activity and Food (HAF) programme.

Our Luton HAF programme is called Energise Luton Holiday Camps. It's all about giving children and young people some great, fun times over the holidays – a time to learn, laugh and eat with friends! All of the holiday camps will include fun, creative activities, some physical activity and a nutritious meal to enjoy together.

There are camps running all over Luton and your child/children are eligible for free places for up to 16 days. Most of the camps run for four hours, four days a week. There is no minimum number of days your child has to attend – you can book places to suit you and your family, whether that's just a few days a week or the whole week at a time.

To book your free place you need to visit <https://activeluton.co.uk/holiday-camp-locations>. Here you will find a list of holiday camps – you will need to use your child's school's unique code to book, which is **SHS21**. You can find out more by getting touch with the Energise Luton team on the telephone and email below. If your child has special educational needs or disabilities, please get in touch so that we can advise which camps will be best.

Best Regards

Catrina Lewis & Adam Woulds
Project Managers
