

Dear Parent/Guardian

An exciting opportunity for Year 10 students this summer

Luton Council has joined forces with Active Luton and community groups across the town to organise a fantastic programme of activity for the summer holidays – and your child/children are eligible for this FREE offer. It's all thanks to the Department for Education and its Holiday Activity and Food (HAF) programme.

Our Luton HAF programme is called Energise Luton Holiday Camps. However, we realise that by year 10, young people prefer to be independent. Active Luton has created a special offer so that young people can visit its centres and go to the gym or go swimming (between 9.30am and 4pm, 7 days/week) completely free of charge. This programme includes the opportunity for 16 nutritious meals – also free while young people visit one of our leisure centres to do an activity.

The offer is open from 21st July and ends on 31st August. Places are limited! To claim your child's place, please contact the Energise Luton team on the details below. The offer will be available at Inspire: Luton Sports Village, Lea Manor Recreation Centre, Lewsey Sports Park and Stockwood Park Athletics Centre. When claiming you'll need to quote your school's unique code which is LHS21. Our team will arrange for the leisure centres to set you up, book a gym induction and then, off you go!

We really hope your child/children can take up this offer and will enjoy the opportunities it brings.

Regards,

Catrina Lewis & Adam Woulds
