

26<sup>th</sup> February 2021

Dear Parents and Carers,

Whilst we have continued to update you through the weekly newsletter we wanted to take stock following the Prime Minister's announcement on Monday evening before sharing our plans for a safe and smooth return to school for all of our students.

As you will no doubt be aware Monday 8th March is the return date that has been shared by the Prime Minister with the added caveat that it will be down to school to determine a return model that works best for them. As such we are sending a letter to the parents of students in each year group as the plans do vary for each cohort.

This also provides a useful opportunity for us as a school to thank each and every one of you who have supported your children and in turn our Stopsley High School community throughout. Thank you to all those who took the time to complete our survey on our Remote Learning Provision. We are adapting our provision as a result of the feedback from parents, carers, students and staff.

In order to adequately prepare for the return of students, Monday 1st March will be a day of remote learning for **all** students. Staff are busily preparing work in line with students' timetables and this will be accessible via Satchel:One. Staff will be able to review the work completed and any queries that arise the following this. Students will return to the "live" lessons model from Tuesday 2nd March.

All students are strongly encouraged to complete 3 lateral flow tests upon their return to school. It would be most helpful if you could take the time to complete the attached updated consent form by the 1st March 2021, which will be pivotal in assisting us with our planning: [Lateral Testing Consent Form](#).

The exact details regarding your child's year group being tested and in turn how this impacts on their education package can be read below.

**We will be continuing with our key worker/vulnerable student support until your child's year group returns.** We will be altering the start and end times from 8th March to ensure that we do not have any mixing of these bubbles. These details will be sent in a separate letter to you next week.

### Year 10

**Test 1 date:** Friday 5th March 2021 - *by appointment slot then return home*

**Test 2 date:** Tuesday 9th March 2021 - *by appointment slot then return home*

**Test 3 date:** Monday 15th March 2021 - **in school**

**Educational Package:**

<b>Monday 8th March</b>	<b>Tuesday 9th March</b>	<b>Wednesday 10th March</b>	<b>Thursday 11th March</b>	<b>Friday 12th March</b>
"Live" learning from home	"Live" learning from home	Return to school - classroom learning	Classroom learning	Classroom learning

<b>Monday 15th March</b>	<b>Tuesday 16th March</b>	<b>Wednesday 17th March</b>	<b>Thursday 18th March</b>	<b>Friday 19th March</b>
Classroom learning	Classroom learning	Classroom learning	Classroom learning	Classroom learning

It will feel somewhat strange for the students, having been at home for so long, so we are carefully planning their transition back to school to enable them to be able to share how they are feeling so we can support them to make the process as smooth as possible. It would greatly assist us in our planning if you could encourage your child to complete this [Well being survey](#)

We fully appreciate that our community will have a variety of queries around the school reopening, and how we will be ensuring the students maintain social distancing and prevent any possible transmission of the virus so we will send a further letter detailing our expectation and plans next week.

We are looking forward to welcoming all students back into our community.

Yours sincerely,

**K Hand**  
Interim Headteacher

**P Whiting**  
Deputy Headteacher
