

24th April 2020

Dear Parents and Carers,

I hope that you are all well and staying safe at this difficult time. I wanted to send you an update this week to make sure you have everything that we can support you with. It has been wonderful to see the fruits of your labours with the amazing work, projects and fun activities that you are doing at home with your children. Please continue to send in photographs of your work or projects to our email address, spotlightonsuccess@stopasleyhighschool.co.uk.

I am left in no doubt how hard this can be, so thank you for all you are doing. We have some links for you to help structure your child's day and to advise you on how to manage some of the difficulties that can arise.

[Student Survival Guide](#) Welcome to your interactive Student Survival Guide. Here, we have provided for you relevant guidance from a host of useful sources, to help you to navigate the stream of information that's likely coming your way. This document contains everything you need to know for your academic work and provides you with support in order to undertake it.

[Home Learning support for parents](#) StarLine is a national home learning helpline offering expert information and advice to parents and carers.

We have been working hard to ensure that the vouchers are getting out to you. If you are having issues using vouchers once you have redeemed them you will need to contact EdenRed directly on freeschoolmealsparentscarers@edenred.com Please follow the link to the letter telling you how to apply. [Free School Meals](#)

The Government have temporarily changed the criteria for free school meals so that parents with no recourse to public funds can now apply for vouchers if they meet the criteria set out in the link below: <https://www.gov.uk/government/publications/covid-19-free-school-meals-guidance/guidance-for-the-temporary-extension-of-free-school-meals-eligibility-to-nrpf-groups>. If you believe you meet this criteria please contact your child's house leader, who will complete a short application form with you.

If you are having any problems with your IT you can email studentitsupport@stopasleyhighschool.co.uk for student password resets and other student IT issues. If you can let us know the full name of the student and year group as well please as this speeds up the process.

For any worries or concerns you may have about your children or if you do not have access to an online learning facility then please contact your House Team. [House Teams](#)

Meanwhile, well done to everyone for getting through this first week back. Please ensure you all enjoy the sunshine this weekend.

Stay safe and look after each other, we are here if you need us.

Kind regards,

K Johns
Headteacher
