

26th April 2021

Dear Parent/Carer,

We have been advised by Public Health England that there has been a confirmed case of COVID-19 within your child's class group bubble. We would like to take this opportunity to reassure you that we will continue to support both your child's education and their well-being whilst they are self isolating. Your child will be required to stay at home and self-isolate up to and including **Monday 3rd May** and, following updated guidance, will then return to school as normal on **Tuesday 4th May**.

For today, Monday 26th April, your child can access work from the Remote Learning section on the School Website. This can be accessed by clicking on the tab titled "Information" along the top, followed by "Coronavirus Update" and then the "Remote Learning" panel on the left. Finally they will select "Year 8" and the lessons they would have completed today.

## In this section

[Year 10](#)

[Year 11](#)

[Year 7](#)

[Year 8](#)

[Year 9](#)

## Remote Learning

Please click on your Year Group on the left hand side to access information regarding remote learning:

From Tuesday 27th April, your child will continue to follow their normal school timetable and will be taught "live" lessons by their teachers apart from Maths, PE, Dance, Construction, Design & Technology, Spanish and French, where work will be set for completion remotely. Links to the live lessons will be communicated through Satchel One (Show My Homework) . Where there are computer or internet issues we will work with you to provide alternatives. Please make contact with your child's allocated pastoral team if this is the case for you.

If a member of staff is unavailable, details of what your child should do will be communicated through Satchel One (Show My Homework).

Remember if your child is having any difficulties with accessing the lessons you can:

- Access the Student Survival guide on the website under the Information tab, which has all the links they will need to the different platforms
- Messages can be sent directly to the class teacher on Satchel One,(Show My Homework)
- If they need their password reset they need to email:  
[studentitsupport@stopsleyhighschool.co.uk](mailto:studentitsupport@stopsleyhighschool.co.uk)

If you or your child needs to speak to someone at the school, unrelated to their lessons, they can email the pastoral team who will be more than happy to help.

### **Free School Meals**

If your child is entitled to free school meals we will arrange for vouchers to be sent out to you by the end of today. If you have not already registered for your free school meal vouchers, please email [fsm@stopsleyhighschool.co.uk](mailto:fsm@stopsleyhighschool.co.uk) with your child's name and the email address you would like the vouchers sent to.

### **What to do if your child develops symptoms of COVID**

If your child develops symptoms of COVID-19, they should remain at home for at least 10 days from the date when their symptoms appeared. The most common symptoms of coronavirus are:

- New continuous cough
- High Temperature
- A loss of, or change in, normal sense of taste or smell

If this is the case, other household members who remain well must stay at home and not leave the house for 10 days. Household members staying at home for 10 days will greatly reduce the overall amount of infection the household could pass on to others in the community.

**For most people, coronavirus will be a mild illness.**

If your child does develop symptoms you can seek advice from NHS 111 at [Covid stay at home guidance](#) or by phoning 119. Please could you also inform the school by emailing [attendance@stopsleyhighschool.co.uk](mailto:attendance@stopsleyhighschool.co.uk).

Yours sincerely,

**Karen Hand**  
Interim Headteacher

**Pam Whiting**  
Deputy Headteacher
