

Come and join our business breakfast meetings as an employer guest at Stopsley High School

Dates

Wednesday 16th October 2019

Wednesday 12th February 2020

Wednesday 1st April 2020

8.30am-10.30am

The meetings are in the format of speed networking sessions where, employer guests will have a series of six minutes meetings with small groups of students. You will answer questions about your job and the industry; the types of jobs available, qualifications needed for entry, career progression, day to day job role, likes and dislikes and your own journey into the industry.

There is no need to prepare anything or bring anything with you, students will be responsible for asking you questions. The sessions are planned to last 2 hours and really help students to gain a better understanding of the world of work and the different pathways/roles available.

If you are able to spare some of your time to attend any of these events, please email Miss Lynch, Careers adviser on llynch@stopsleyhighschool.co.uk
