

July 2024

Dear Parent/Carer,

Re: Stopsley High School Blazers

Thank you for the ongoing positive feedback regarding the introduction of the Stopsley High School blazer next academic year, 2024-2025.

Please see example images of the blazers below:

As you are aware Stopsley High School has funded the initial blazer for each student in the current year 7, 8, 9 and 10 cohorts for September 2024 and have been fitted this term for their blazer by Prestige Design and Workwear Limited.

continued overleaf/...

Your child's blazer will be delivered directly to Stopsley High School and will be available for collection on Thursday 22nd August, between 12.30pm-3.30pm or Tuesday 3rd September between 1.30pm-4.30pm from the School Hall. We would be most grateful if you could populate this [google form](#) to indicate when you aim to collect your child's blazer to help us manage the logistics of the distribution on the day.

When collecting the blazer parents and carers should enter the site via the front gate and will then be greeted in reception and directed to the collection point. Student blazers will be arranged in alphabetical order by current tutor groups and parents and carers will be directed to their child's tutor group table.

Please do not hesitate to contact your child's Year Manager directly should you have any queries regarding the blazer fitting.

Yours sincerely,

A handwritten signature in blue ink that reads "P Whiting". The signature is written in a cursive style with a horizontal line underneath the name.

Mrs P Whiting
Senior Deputy Headteacher
