

Dear Parent/Carer,

Success and Achieve Evening - Thursday 9th October 2025

We are pleased to inform you that we will be holding our Success and Achieve evening for all current Year 11 students and their parents and carers on Thursday 9th October 2025, 5-7pm. This is a valuable opportunity for you to hear information about this crucial GCSE year and see first-hand the courses and apprenticeships available in the local area and what students can expect in terms of the Post 16 experience.

During our Success and Achieve evening, colleagues from Stopsley High School will provide you with some valuable information to help you and your child navigate through Year 11, whilst providers from local Colleges and Sixth forms will also be delivering talks to provide information regarding courses that they offer. In addition, we will also be hosting a dedicated apprenticeships room which will provide an overview of the apprenticeships available locally, and the application process for these.

The talks will be delivered in a small group setting so that both you and your child will have the opportunity to ask questions directly to Stopsley High School staff and the Post 16 providers. Hand outs and contact details of the providers will also be available to take away on the evening, to support your discussions with your child about the next step in their education.

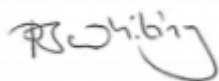

Your child will be given a booklet to take home by Wednesday 8th October, this will include information about the time and classroom location of the sessions that you have chosen to attend.

Please ensure you bring this with you on the evening. There will be time in between each session for you to visit providers you could not book on to, have a look at the apprenticeships room and speak to local Universities. You and your child should indicate on the attached google form the three sessions that you wish to attend.

We would be most grateful if you could respond using this [Google Form](#) confirming your attendance and selection by **Friday 3rd October 2025**.

We will do our best to accommodate your preferences and we look forward to welcoming you to this event.

Yours sincerely,

Mrs P Whiting

Senior Deputy Headteacher
