

October 2019

Dear Parents / Carers,

### Equipment and Uniform

Thank you for your support to ensure that all students have the correct equipment in school, so that they can be ready for learning in lessons. Almost all students have a pen, pencil, ruler, rubber and calculator and are regularly equipped. We will continue to monitor this on a weekly basis and be in touch with you if they are forgetting too often.

Over half term can I ask you to ensure that students have school shoes and the correct skirts or trousers so that they can present themselves as smartly dressed members of the school, proud to wear their uniform. Please follow the link to the uniform policy and examples of uniform. <https://tinyurl.com/yxcx46q1>

We feel that in partnership with you we can help our students understand the importance of being properly and smartly dressed for their future employment. This is a skill that they will need to take them into their future careers and we want them to practise this now.

We are happy to discuss any concerns you may have and will be in touch if there are any issues.

Thank you for your continued support.

Kind regards,

**K Johns**  
**Headteacher**
