Dear Parent/Carer

MACK Inspire – Study Skills Evening - 'Raising Resilient Children' – An event for Year 8 Parents and Carers

Stopsley High School take children's emotional wellbeing very seriously, and we are therefore pleased to be able to offer you the chance to attend a twilight event to increase your understanding of how to support your child's emotional wellbeing and resiliency. This event will be helpful for all parents, even if you believe your child is resilient, there will be times in life, like exam periods, when that resiliency will be tested. This event will help and enable you to support them even more effectively in those times.

The event will take place on **Thursday 9th May 6 - 7.30pm** in the School Hall.

If you have any questions surrounding the content of this session please do not hesitate to contact Mrs. Whiting on 01582 870900.

Yours Faithfully,

Mrs P Whiting
