Stopsley High School's Weekly Newsletter

Message from the Headteacher

BRITISH VALUES

Dear Parents & Carers,

Democracy

Welcome to our new weekly newsletter.

We hope that this will provide you with regular up to date information that you can easily find on our website.

Individual Liberty

We will keep you posted on our School Improvement Plan and the progress we are making and give you up and coming dates of events and meetings so you do not miss anything.

Our Parent Voice Group tell us that a regular electronic newsletter would be a good way to keep you informed. Please let us know what other information you would like to have included each week.

The Rule of Law

Please note that, due to a miscalculation, an extra day has been inadvertently added to this academic year. To rectify this, we will be finishing the summer term a day earlier, on Thursday 19th July.

Mutual Respect

Have a good weekend.

Karen Johns

Tolerance and Respect of Opinions and Diversity

Revision tip for the week:

Start early! If you begin revising weeks, even months before the exam, you'll be giving your brain more time to take in the information.

PREFECT REPORT

Hello, this is the first time we, as prefects, have spoken to our community but it is to become a regular slot. We hope that if you have any queries or issues that we as a school are approachable enough for you to speak to us.

We, as the new Head Girls of Corinth and Olympia, are constantly thinking of new ways to ensure the voices of students are heard. We are already a part of Student Voice and through this we have been able to:

Sample and appraise the canteen food

Look at action plans for successful learning

and many more things, which we will feedback in this newsletter

Through our skills, we can positively affect our students' wellbeing and happiness in their education journey.

We hope we have provided a shift transition from the previous prefects and uphold high standards. We will continue to provide our services to improve Stopsley High School.

Cerys Wrigley and Chelsea Tiso

We want to hear from YOU! - Next parent voice 17/05/2018 at 6pm.

Parentview - <https://parentview.ofsted.gov.uk>

Parent View gives you the chance to tell Ofsted what you think about your child's school, from the quality of teaching to dealing with bullying and poor behaviour. The survey can be completed at any time; you don't have to wait until the school is being inspected.
