Headteacher's Letter

Dear parents & carers,

Welcome to a new year here at Stopsley High School. Looking back on last year's newsletter I can't believe all the opportunities that our students were involved in. I am looking forward to another exciting eventful year. We are so very proud of our students and are always looking to celebrate their achievements; please keep us informed of any activities out of school so we can share them within our community.

In August we saw our Year 11 achieve the best ever results in Stopsley. It is wonderful to see all the hard work of so many people being rewarded. Congratulations to our students, we wish them all the very best for their future endeavours. The school is continuing to improve in many areas and we will continue to share these improvements through our newsletter.

Have a good weekend

CBBC's Step Up to the Plate Winner

Stopsley's own Charlotte Lovelock took part in the television competition, which challenges youngsters to run a restaurant. Charlotte reached the finals on Friday 30th August and was crowned the winner of the front of house team.

Fred Sirieix, maître d' of Channel 4's First Dates, remarked on Charlotte's progress in the competition "What is the most remarkable about Charlotte's trajectory from the heats to the finals, is that she's a changed person and she believes in herself. I can't believe how much she has learnt and progressed"

Charlotte said of her victory: "I didn't think I'd make it to the semi-finals let alone go all the way and win it"

We are very proud of Charlotte's success and she completely embodies Stopsley High School's values; ambition, endeavour, success.
