STOPSLEY CELEBRATES BEST EVER RESULTS

We are delighted to announce that our class of 2019 achieved record breaking GCSE results, with continued improvements in English, Maths and Science, and an array of exceptional individual performances.

The success of our students is testament to their hard work and dedication and is richly deserved.

WHAT OUR STUDENTS SAY

"My teachers gave me the support and resources I needed to help me perform at my best, and they were willing to go the extra mile." **Tamzid**

"The school provided lots of opportunities to take part in boosters during and after school, these helped me to learn extra knowledge." **Beth**

"Stopsley teachers give you multiple learning styles and help you every step of the way, but you need to be ready to receive the help" **Precious**
