Headteacher's Letter

Dear parents & carers,

Happy New Year. I hope you had a good Christmas. You have told us that you find the parent app helpful and we want to make good use of this to improve communication with you. If you do not yet have access to the app please email dlovelock@stopsleyhighschool.co.uk all we will need is your email address to get you signed up.

You will be able to see achievement points, behaviour points, reports, attendance, messages from school and the school diary. Please let us know if you find this useful.

Have a good weekend

Karen Johns

Apprenticeship Evening

On Wednesday evening we held an apprenticeship evening for our Year 11 students and their parents. We had a talk from ASK apprenticeships where students and their parents got to find out about the different levels of apprenticeships, the many sectors in which they are now available and what an apprenticeship in 2020 looks like. We also had a number of apprenticeship and training providers attend the event including Luton Borough Council, TUI, Active Luton, JTL and Paragon Training, to share the opportunities available both locally and nationally.

Week 17 17/01/20

Stopsley Values

AMBITION

We inspire students to aim high and dream big, developing strong aspirations and a lasting love of learning.

ENDEAVOUR

We encourage students to embrace challenges, to learn from mistakes and develop the resilience to thrive in an ever-changing world.

SUCCESS

Our innovative and creative teaching empowers students to drive their own learning and achieve their potential.

Cross Country Run

On Thursday the 16th January our cross country team made their way to Stockwood Park for the Luton schools cross country event. It was a cold and wet day but nonetheless our runners were ready to take on the muddy course. Well done to all students who competed in the competition and battled through the cold conditions; a special well done to those students who have qualified for the county team and will be moving on to represent Luton. The six qualifiers have a few weeks to train for the county event which takes place in Ampthill Park on the 5th February. A special mention to the Junior Girls team who finished with three top five finishers!

Top Performers

Holly Lathwell - 1st place

Libby Woolnough - 4th place

Isobel McCulloch - 5th place

We look forward to updating you on how the students get on at the county competition!

UK Maths Challenge

Maths whizzes at Stopsley High School put their skills to the test when 50 students took part in the United Kingdom Mathematics Trust (UKMT) Junior Maths Challenge.

The challenge, which involves a sixty minute test, quizzes students on their mathematical reasoning, precision of thought, and fluency in mathematical techniques.

We are now recruiting for this year's competition. Any students who are interested in getting involved should go and speak to Mrs Hemel to register your interest.

Year 8

Usmaan Habib
Samuel Cox

Year 9

Radia Ali - Awarded Best in School
Sarah Igoche - Awarded Best in School
Charlotte Lovelock
Dhillon Laji
Rahat Chowdhury
Samara Patrick
Vivian Kaneva
Nathan Manixhall

Year 10

Charles Smith
Khadeeja Khan

Year 11

Esha Parmar - Awarded Best in School
Georgie Dearden
Jahira Hossain
Ismaeel Malik
