

12th August 2020

Dear Year 11,

Results Day Arrangements - Thursday 20th August 2020

You will recall from my letter of Friday 10th July that results day will be remote this year. This is not a decision that we took lightly. We know that as a year group your end to school has been very different and you missed out on many of the 'normal' activities.

Many schools have made the same decision and we are conscious that this year it will be particularly important to be able to congratulate you on your achievements and advise you of next steps. However, the concern about bringing large groups together who are likely to be emotional and will find social distancing difficult had to be taken into account, as well as the possibility of school being closed and the need to ensure you get results in a timely manner.

We will be emailing your results out at 8am on Thursday 20th August. This will go to your school email account and you must ensure that you can access it. If you cannot please email studentitsupport@stopsleyhighschool.co.uk and let us know. We will also post a hard copy of your results out on Thursday 20th August, but this will obviously not arrive for a day or two. If your postal address has changed you must email and advise of your new address on admin@stopsleyhighschool.co.uk

In addition to the results, we will also email you in the following days your CAG (Centre Assessed Grades) that the school submitted. As you already know the school undertook a rigorous process before submitting these and followed the guidance offered by both Ofqual and other professional bodies and experts. All grades submitted went through an internal and external quality assurance process and were not the sole responsibility of any individual teacher or department.

We are conscious that this has been a difficult and anxious time for you as a result of the disruption caused by the Covid 19 pandemic. If you would like further support or information please do get in touch with school.
