## Headteacher's Letter

Dear parents & carers,

It has been wonderful to get the Year 10's back into school this week. Well done to them for keeping up with their work on Show My Homework and Google classroom. Please remember to alert the House team if your child does not have access to a computer or wifi at home so that we can provide paper copies of work. Students have settled in well to all of the changes, their behaviour and conduct has been exemplary. Well done and keep up the good work.

A reminder that we have begun our consultation to join a Multi Academy Trust, please see the [letter](#) from the Chair of Governors. We have a questionnaire for you to complete see [LINK](#) please send your comments through before the 7th October for discussion at a Virtual Parent Voice meeting on 8th October 6 to 7pm. The consultation ends on 23rd October.

Have a good weekend

Karen Johns

## Canteen and Free School Meals

Following the return of the students our school kitchen is fully open. All students have access to the canteen in their year group's designated timeslot. As well as the weekly menus, this week has seen the return of snack items, which include Burritos, Pizza and Sausage rolls. Your child's squid account must be topped up online as we are currently not accepting cash payments. Hand sanitiser is available for pupils to use before and after paying for their lunch and canteen staff are wearing masks or visitors when serving the food. If your child is entitled to a free school meal they have the option of choosing either a hot or cold lunch.

If you think your child may be able to receive a free school meal please follow this [link](#) to find out more information on how to apply.
