

TESTING INSTRUCTIONS

3rd March 2021 - Tutor Time session

Ambition | Endeavour | Success

Testing preparation info

**We have missed
you!**

**Testing is the first step in
ensuring you have a safe
return to school.**

Testing preparation info

STEP 1

1

STEP 2

2

STEP 3

3

You will only be able to attend school for a test if your parent/carer has given consent and signed up. You will have received a text/email with your time slot if they have.

Testing preparation info

STEP 1

STEP 2

STEP 3

**Make sure you arrive on time
for your designated
appointment slot- do not
arrive late or early as the
appointments are staggered
to ensure social distancing!**

Testing preparation info

STEP 1

STEP 2

STEP 3

**You must attend school
in your Stopsley school
uniform and wearing a
mask.**

Staying safe at the test site

You must follow all of these instructions to keep Stopsley community safe when attending for your tests.

Follow the designated route through the school

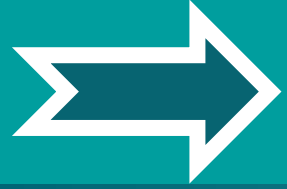

Ensure you use the sanitizer on entry and frequently throughout testing process

Follow the arrows on the floor to follow one way system in boys changing rooms

You must wear a mask at all times when at school. This includes when walking through the school gate to the test site.

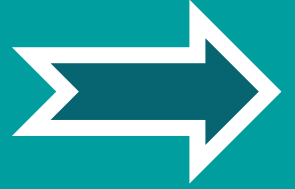

Route to enter school

**Enter school
through the Front
Entrance 5 minutes
before your slot**

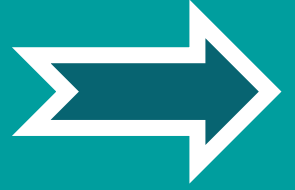

Entering the test site

Turn left and make your way towards construction - through the gate & then along the path past the Y8 area.

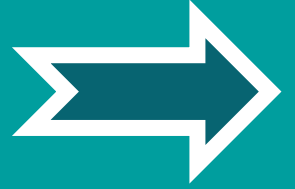

Entering the test site

Enter the school building through the sports hall doors and make your way to the first set of exams desks.

ENTRANCE

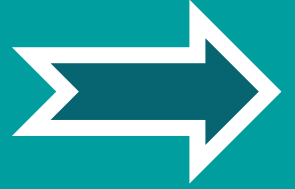

Entering the test site

Once the Admin Team have ensured you are registered, you will be directed to sit at the desks next to doors in your test group of 4 ready to enter the test site

ONCE DIRECTED by a member of staff - enter through this door towards the changing rooms

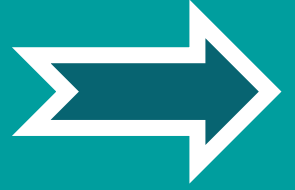

Entering the test site

ENTER THE BOYS CHANGING ROOMS where you will find the testing site. Ensure you do this quietly and sensibly

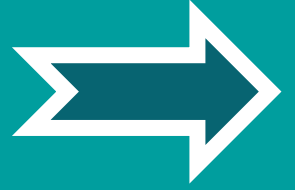

Entering the test site

Make your way to an EMPTY station on your left as quickly and sensibly as possible

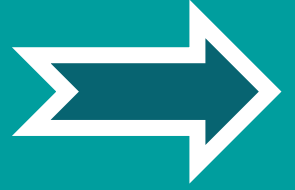

The tester will instruct you of next steps once at the hatch

Exiting the test site

The tester will direct you to a numbered bay so that you can complete your swab in the mirror. DON'T FORGET to sanitize your hands before completing! Once you have completed your swab, return to the tester at the hatch with your swab.

Exiting the test site

Exit the changing rooms using the ONE WAY system, by following the arrows and using the back exit.

Then turn right and make your way directly through the back gate to make your way off school site.

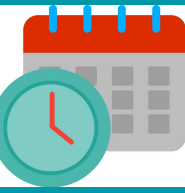

Testing preparation info

**How do I
complete
a Lateral
Flow
Test?**

Year 7	12th March	11th March	16th March (whilst in school)	18th March (whilst in school)

Testing preparation info

Remember that all the systems in place are to keep us safe and is inline with government guidance

It is vital that you make your way straight to school and home from school after your test, do not congregate in groups.

It is important that you follow all of the rules in school to ensure your safety whilst being tested

Testing preparation info

Thank you in advance for following all of our instructions. We can't wait to see you back in school very soon!
