Headteacher's Letter

Dear parents & carers,

Whilst it may feel to many in our community that we have only just returned to school we cannot believe how much everyone has achieved in just 3 school weeks. Our students continue to impress us with their commitment to their learning and our staff with the unrelenting focus on supporting each and every child.

If you haven't had a chance to see our inclusion pledge on Twitter please do so [here](#). Students in their form groups were tasked with exploring what they could do, to ensure that we are an inclusive community. Each tutor group decided on their pledges which has resulted in this inspiring, heart-warming and motivational video. We are so fortunate to have such insightful, supportive and encouraging students.

Students who have opted in for receiving the home testing kits have been equipped with them now to be used over the Easter holiday. If you have not accessed your kit or have now decided you would like to access one, you can still access kits via the rapid flow centres in Luton. We are still required to complete Track and Trace processes during the initial part of the Easter break. Please email attendance@stopsleyhighschool.co.uk if your child tests positive up to up to Thursday 1st April.

Have a safe and restful break everyone

Careers SEMLEP Broadcast for Year 11

The South East Midland Local Enterprise Partnership (SEMLEP) are hosting 4 broadcasts in April which will focus on career opportunities with local occupational groups/sectors. Each broadcast will comprise a short presentation of the opportunities and needs for each sector, plus a panel of employers explaining what opportunities they have now and in the future. This will be followed by a live Q+A session. All broadcasts will be live from 5-6pm. The dates and occupational groups/sectors are as follows:

- Monday 12th April – Health and Care
- Tuesday 13th April – Engineering and manufacturing
- Wednesday 14th April – Digital
- Thursday 15th April – Logistics

These broadcasts will be primarily aimed at transitional year groups, i.e. those seeking employment in the summer or taking decisions about pathways post 16 or 18/19. To take part in this opportunity, please register in advance at <http://bit.ly/2Q9HicV>

Nurture Group

The nurture group have been participating in Science practical lessons this week with Miss Dennehy from the Science Department. They undertook the task of dissecting animal hearts, brains, chicken wings and livers. They took on this challenge with enthusiasm, maturity and enjoyed finding out what the organs are made up of and their purpose within the body.

This has given the group an insight into the functions of the body and how organs have different functions.

Well done, keep up the good work.
