Headteacher's Letter

It is starting to feel like summer! It is wonderful to be beginning the half term holiday with the sun shining. Please continue to complete the self testing at home and report the results, even if it is negative. The data is being reviewed continuously and supporting the understanding of how the virus is being transmitted at a national, county, town and local level. To report your result [please use this link here](#).

A shout out to all those budding actors in KS3. The KS3 after school Drama Club is back as well as a host of other after school clubs including: Spanish Support, access to the library and host of PE clubs such as rounders, cricket and tennis. Please find out more by accessing the [full timetable here](#).

If you are following us on Twitter you will have seen the entries from the latest Taskmaster where Year 6 students had to make the coolest character from the clothes in their wardrobe. If you haven't yet followed the weekly task, please do so here. The fantasy football league has also come to an end but congratulations to Abdul S, David T, and Zainab A.

We would like to wish all of our Stopsley High School community a safe and restful break.
