Headteacher's Letter

Dear all,

I was delighted to be able to attend the Year 11 GCSE music performance recordings on Wednesday evening. The courage, skill and composure of the students was incredible. The wide array of instruments used including voice, drums, piano and various guitars alongside the musical scores resulted in an atmosphere of peace, tranquillity and much, much admiration for them and Ms Coppinger who skilfully elicited the best out of them.

Year 11 parents and carers, we will be holding a Year 11 Mock Results Day with the students on Tuesday 16th January 2024 during Period 6. The aim of the Year 11 Mock Results Day is to give the students an opportunity to receive their results in a similar way to how they will receive their GCSE results in August 2024. The students will receive all of their mock examination grades, current working grades and predicted grades. The following day during Tutor Time, all students will complete a reflection activity where they will reflect on what went well and how they will focus their revision for the next mocks/actual GCSE examinations.

We are excited to share with you all that we will be changing to a new Information Management system upon our return from the February half term. This changeover is being carefully managed to ensure that the change only further improves our communication with you as parents and carers as well as enhancing information readily available to staff across the school. Please ensure that we have your most up to date contact details including home and mobile phone numbers as well preferred email for your children. In addition, in order to train staff to be ready for the change we will be having an early closure on Friday 9th February where students will be dismissed from their period 5 lessons from 1:30pm onwards.

The weather isn't showing any signs of warming up any time soon so please take care if you are dropping your child off in the morning due to frost.

Have a safe, warm and restful weekend,

Ms Hand
