Headteacher's

Dear all,

A final reminder to all parents and carers in Year 7 to ensure that you have booked your appointments for the Online Parents' Evening on Tuesday 30th January. This will be an opportunity to hear directly from your child's subject teachers on how they are progressing. If, following the discussions, your teacher feels that you need more time, the teacher will make separate arrangements with you. In addition, if you have a particular matter you wish to discuss, please include this information at the time of booking in the comment box to ensure the meeting is as productive as possible. For further details please refer to the reminder letter here.

We will then be hosting a 'Year 11 Support and Succeed Evening' on Wednesday 7th February 2024. The evening is aimed at parents and carers as the students are receiving their input in school. The purpose of the evening is to empower parents and carers and provide you with all of the information you need to be able to take an active role in ensuring that your child achieves their full potential in their GCSE examinations. If you haven't already confirmed your attendance please complete this Google Form to let us know that you will be attending.

I also wanted to remind all parents and carers that there will be an early closure on Friday 9th February where students will be dismissed from their period 5 lessons from 1:30pm onwards. This is in order to train staff to be ready for the change of management information system (Sims to Arbor) which will be in place from Monday 26th February for staff and will then be gradually rolled out to all parents. Please help us to make your transition on this new platform as smooth as possible by carefully checking the contact information sheet we have posted home to you, to ensure we have the correct up to date details for you and any emergency contacts.

Thank you for your ongoing support,

Ms Hand
