The Compton School is proud to deliver teacher training through The Compton SCITT Partnership. SCITT stands for School Centred Initial Teacher Training and means that the school can train teachers and award Qualified Teacher Status. By training teachers, the school can have additional adults in the classroom supporting pupils and access to the latest educational research to help our teachers perform to the highest standards.

The Compton SCITT Partnership has been running for over 10 years and has trained hundreds of teachers who are working at The Compton and many local schools in Barnet and Enfield.

If you or any of your friends and family members are interested in training to be a teacher, then please get in contact with Mr Stuart Merritt.
