HEADTEACHER'S UPDATE

Dear all,

Thank you to all our parents and carers for your support over the Spring Term including participating in online parents evenings and various events in school including the Year 6 Discovery Afternoon, Year 9 Making Choices appointments and the Spring Music Showcase. I hope you, and your families, enjoy the two week break and that the intermittent sunshine continues.

Wishing good luck to the students and staff who are getting the holidays off to a great start with a residential trip to Caldecotte with Mr Wise, Mr Swain and Mrs Bokisa. We are looking forward to seeing photos of your achievements but more importantly happy faces having fun. Thank you to Mr Swain, Mr Wise and Mrs Bokisa for making this trip possible.

Year 11 students have had a term of additional mock exams but also in subjects with non-examined assessments and practical assessed elements they have been focused and demonstrated what it means to be a resilient learner. This includes Art, Music, Child Development, Drama, PE, Design & Technology, Food Preparation and Nutrition, Construction as well as Dance. Well done to all the students but also many thanks to the staff who have been preparing them for these key events.

Well done to the Year 8 Boys Football team who were triumphant against Icknield High School winning 4 - 0. It is even more impressive to hear that they haven't lost a game all season. Well done boys and Mr Wise.

I look forward to welcoming all our wonderful students back on Wednesday 23rd April on a week B timetable.

Best wishes,

Ms Hand
