## HEADTEACHER'S UPDATE

Dear all,

I would like to highlight to all parents and carers that the school will be closed to students all day on Friday 28th November for INSET due to the Middlesex Learning Trust Staff Conference.

Well done to our Year 11 students for completing their second and final week of mock examinations and a thank you to everyone who has supported them. Staff will be using some of the time on the INSET day on Friday 28th November to complete cross standardisation and moderation in departments across Trust schools. As we say to the students, the most important part of completing these mocks exams is identifying where to focus their attention to plan for the next set of mocks. We will be completing a mock Results day with students where they will then find out their results but more importantly complete an individual revision plan in response to this in January 2026.

Have a wonderful weekend all,

Ms Hand
