HEADTEACHER'S UPDATE

Dear all,

Thank you to all those families who have attended and will be attending Legally Blonde. I was fortunate to receive rave reviews of the performance from Stopsley Primary School and Bushmead Primary students on Tuesday then Sacred Heart Primary on Wednesday. Seeing their little faces light up with excitement, awe and wonder (and that was just the tiered seating and set design before the show) made me even more excited about the prospect of having the opportunity to watch it myself tonight. The students and their teachers said that the musical, dramatic and dance performances are unbelievable but also the scenery and smooth transition between sections were just so professional.

We will be having the student Christmas Dinner next week, on Wednesday 17th December. See poster for details. The cost of the meal will be £4.10. For free school meal students your child's allowance for the day will cover the full cost of the meal. Sandwiches and Baguettes will be available for students who do not wish to have Christmas dinner.

The last day of the Autumn term is Friday 19th December. Students will have the chance to wear a Christmas jumper. If students wish to wear a Christmas jumper this will replace the school blazer, however school trousers/skirt and school shoes must be worn. If students are hot during the school day and wish to remove their Christmas jumper they must be wearing the correct school shirt and tie underneath. The school shirt and tie is not required if students do not remove their Christmas jumper.

We will be having a staggered dismissal on that day for students. At 11:30am, all students will return to their form rooms. Students may have their phones returned at this time. Year Managers will visit forms to dismiss students at the scheduled times below:

Year 11 - From 11:35

Year 10 - From 11:40

Year 7 - From 11:45

Year 8 - From 11:50

Year 9 - From 11:55

Have a lovely weekend all,

Ms Hand

FESTIVE MATHS REWARD

70 KS3 students who completed their Sparx homework 100% on time enjoyed a festive maths reward! They explored powers of 2, binary tricks, the 'cut & fold' theorem, and a student-friendly maths lottery. Keep up the great work to join future sessions!

CHILD-FRIENDLY TOWN VISION EVENT

We are incredibly proud of our four students who represented us at Luton Council's 2040 Child-Friendly Town vision event today. They listened, debated and shared brilliant ideas.

A true credit to our school and a reminder that our young people are ready to shape Luton's future.
