

DRAMA!

Issue 1
19th December 2025

Welcome to our first Drama Newsletter!

It has been a busy term for all things Drama at Stopsley. Something for all seasons and all students to get involved in!

In October, there was a lot of spooky fun to be had with our annual Pumpkin decoration competition for year 7. Students were invited to stay after school and get creative with a pumpkintastic assembly to show off all the efforts and entries.

Our winners received trophies to celebrate their creative skills.

In November, Stopsley Students had the opportunity to donate to charity for Children In Need.

Collecting copper coins, students spent lunchtime being artistic to make a giant Pudsey Bear raising money for a wonderful cause.

November was also time for the year 7 autumn disco, and if they wanted a little bit more glitz (and gore) students made their way to drama to get made up!

October welcomed NGYT to come and do some workshops with our GCSE students where they got to experience alternate teaching.

December was SHOWTIME!
A magnificent cast put on a fabulous pinktastic show full of fun. The students worked really hard all term to put on wonderful performances, and we were delighted to welcome so many staff, friends and family to support them. Everyone is very proud!

We were extremely lucky to take a trip to Luton 6th form with our GCSE students in the last week of term to see some of our old students in a glorious performance of Sister Act.

The last day of term saw the annual Christmas Tree Competition with great festive inspired décor and arts and crafts on display. Winners 7H were delighted!

We look forward to a lot more creativity in 2026!
