Dear all,

We were delighted to host a team of four reviewers, who are senior leaders in other secondary schools across the country with a Lead Reviewer (a trained Ofsted inspector) to our school Monday to Wednesday this week. They were completing a Challenge Partners Quality Assurance Review which involved lesson explorations across the range of curriculum areas and various year groups as well as meetings with students and staff. They were amazed at the enthusiasm and positive engagement in learning demonstrated by our students and more generally a consistent culture of respect and inclusivity between students and staff alike. A massive thank you to all of our students and staff involved. I look forward to sharing the report in our newsletter next week.

Next week sees the beginning of the GCSE written papers for students in Year 11. We wish them good luck and hope they see that their hard work has been worth it. A revision timetable has also been shared with students to coincide with their exams. Students are being guided through the routines and procedures for the GCSE written papers by their form tutors. In addition, useful information can be accessed via the Exams link on our school website. We will be sending our Year 11 parents and carers a letter detailing what is happening, and when, for students alongside signposting recommended support sites.

I am also excited to share with you all that our incredibly gifted Layla, in Year 11, (pictured below) is having her poem published in "I have a dream 2026 - Poems of imagination" which she entered in the Young Writers poetry competition. Layla enjoys writing poetry but acknowledged that gentle cajoling and ongoing encouragement from Mrs Hammoudi, her English Teacher and Mr Kiely, Head of English ensured she submitted her entry. We will be keeping everything crossed for Layla as we eagerly await the upcoming news whether she will be selected as a competition winner. Good luck!!

Also just to highlight that we have an early finish on Friday 22nd May. Students will be dismissed from school from 1:30pm on Friday 22nd May 2026.

I hope that everyone enjoys the long weekend due to the bank holiday on Monday. Students will return to school as normal following a week A timetable on Tuesday 5th May 2026

Have a wonderful weekend all,

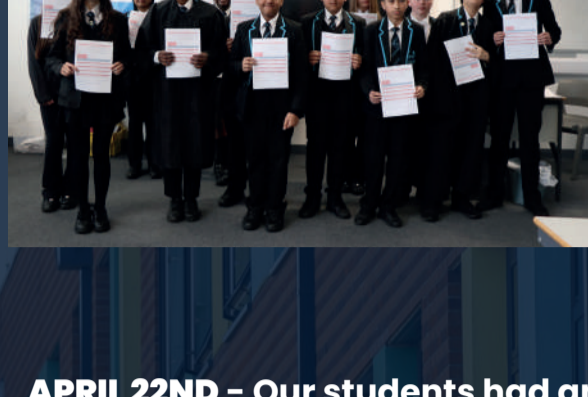

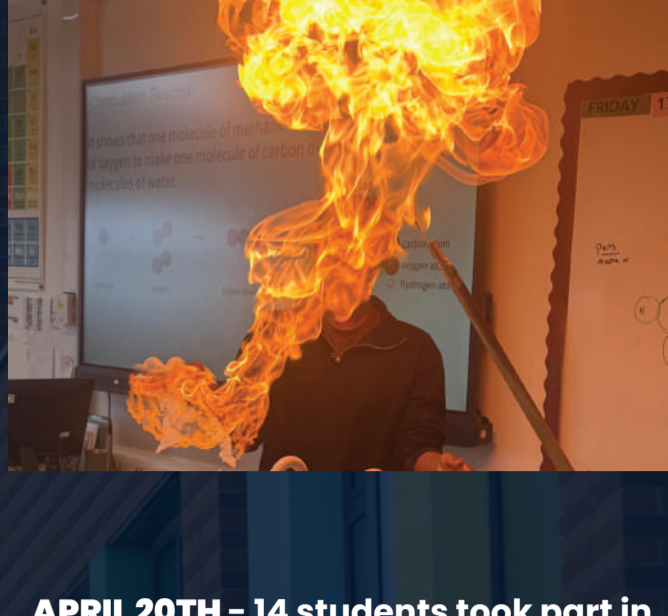

Ms Hand

APRIL 13TH – students enjoyed a fantastic reward trip to Chessington World of Adventures!

APRIL 17TH – Our students were completely captivated during this combustion demonstration, gasps, wide eyes, and lots of “wow” moments all around! Even better, they took real pride in explaining the science behind it, confidently breaking down the reaction as it happened.

APRIL 20TH – 14 students took part in The Brilliant Club during the Spring Term and we’re proud to say that every single one of them successfully passed!

APRIL 22ND – Our students had an incredible trip to Cranfield, They explored some amazing aviation facilities, including real aircraft and cutting-edge research spaces, getting a behind-the-scenes look at how the industry works.
