HEADTEACHER'S UPDATE

Dear all,

Year 11 have completed another week of GCSE exams and continue to impress us with their positive mindset and resilience to the pressures they face. They have earned a rest (with some revision) over the half term!

I am so very proud of all of our Sparx Maths Heroes in every year group. We use Sparx Maths to create homework based on topics taught in maths lessons. The programme then customises the difficulty to match a student's ability. It learns a student's working speed and level over time to ensure questions are neither too easy nor too hard. Our Marvellous Maths Team then use this information to plan their lessons and provide support where it is needed and extra challenge to accelerate progress.

Well done to:

Year 7 Heroes - Ali M, Alisha B, Mehreen A and Alkis T for being the Top Independent Learner

Year 8 Heroes - Elijah A, Simona R, Azad S and Ameeliya R for being the Top Independent Learner

Year 9 Heroes - Merlon R, Nicola K, Light D and Ardra S for being the Top Independent Learner

Year 10 Heroes - Zulu I, Amir Uz Z, Benedicta A and Serena A for being the Top Independent Learner

Year 11 Heroes - Armela K, Martina N, Nikolett T and Stacy C for being the Top Independent Learner

Wishing everyone a restful and relaxing half term break,

Ms Hand

REMINDER – SPOTLIGHT ON SUCCESS

Have you shared your child's achievements with us yet?

Our Spotlight on Success initiative celebrates the fantastic accomplishments our students achieve beyond the classroom, from sporting awards and club successes to performances, competitions, volunteering and personal milestones.

We are proud to recognise these achievements each week across our social media platforms and newsletters as part of our Top Class culture.

If you would like your child's success to be featured, please complete the Google Form linked above.

Please note that while we aim to celebrate as many students as possible, due to volume and scheduling, not every submission may be featured.

Thank you for continuing to support and celebrate the incredible things our students achieve at Stopsley High School.

THE COMPTON SCITT PARTNERSHIP

Our course is entirely school-centred providing classroom based, practical training, underpinned by a weekly educational studies programme. The programme leads to Qualified Teacher Status (QTS) by The Compton SCITT. Trainees may opt into a Postgraduate Certificate in Education (PGCE) accredited by our partner, The University of Sussex. The course is full time over 38 weeks (term time only).

Training Route with funding

We offer a Training Route programme for our secondary trainees. Trainees may be able to access bursaries in some subjects. We work with a number of local partner schools where trainees may choose to train.

Salaried Route

Working in partnership with employing schools, we also offer a salaried route where trainees earn a salary alongside their training.

Assessment Only Route

This route is for unqualified teachers with a minimum of 2 years' experience of working in schools. The programme takes a maximum of 12 weeks leading to the award of QTS and can begin at any point in the academic year for eligible candidates.

Apply

Candidates for the training and salaried routes can apply to financial training through the Department for Education's Find and Apply service. Application for Assessment Only is direct through The Compton SCITT.
